

Station Light

Final size mm	700 x 1000 mm
Visible area mm	670 x 970 mm
Cutting allowances	3 mm

Design instruction

- Design in final size 700 x 1000 mm.
- The visible area 670 x 970 mm is marked with guides in design template.

Material preparing

- If necessary, you can order the production of the material from our partner PunaMusta Coloro, in which case you will receive a color-controlled print for review (The costs of producing the material are not included in the printing costs).
- Image resolution 72 ppi.
- Station Light uses offset color management. The correct profile can be found in the instructions for the ready-to-print material link.
- 3 mm cutting allowances and corner marks are made to the PDF.
- All poster topics are delivered to the printer as separate PDF files.
